Team Series

Team series races are the same as championship series. Teams' top 5 racers count

Score top 10 only in each field. 1st = 10, 2nd = 9 etc. 1 point for 10th place to last place.

Top 3 bonus 5-3-1

Team series is Cat 1-3, 4, 5

Other races are "training" events with results posted but no points awarded

Idea is to learn how to race.

Championship series is for overall

Within BBC upgrades

Rider must ask Rob Johnson and if approved will race that category for entire championship series

Riders can move up or down for non – championship races.

Ie Masters 50 Cat 1-3 can ride Cat 4, Cat 5 can ride Cat 4

Crits will be own scoring

KoM still separate.

3-2-1 during races. 3 laps maximum.

10-8-6-4-2 for hill climbs TT
