

Team Series Rules 2013

Team series is Cat 1-3, 4, 5

Team series races are the same as championship series and adds TTT

Each team's top 3 racers count per race. Ie if a team has 6 riders in a race and they finish 1,4,8,12,13,19 placings 1,4,8 would count to the team series points.

Scoring is as follows: 1st = 10, 2nd = 9, 3rd = 8 etc. 1 point for 10th place to last place.

Top 3 finish bonus 5-3-1 so effectively 15,12,9,7,6,5,4,3,2,1....1

Team Time Trial will count 60,45,35,25,15,5 points. Minimum of 3 riders, and a maximum of 9 per team per category. Teams can draft one non-team rider per category, and allow 1 higher cat rider to move down.

Team members must be full, associate or junior BBC members at the time of event for points to count.
