How is the winning club determined?

Riders from the top 25% of each field will be given points. The club with the highest number of points will be named Club Champions.

For example:

The "A" field has 48 riders; the top 12 riders will be awarded 12 points (12,11,10...). If Riders 1-5 are from one club, the club gets 50 points. If Riders 6 – 12 are from the other club, that club gets 28 points. The same is done for each field then totaled by club.

A tie-breaker would be determined by the highest number of payout recipients.

Where is parking and registration?

Parking and registration will be located at Steel & O'Brien, 7196 Route 98. Arcade, NY 14009.

Registration will be open from 9:15 – 10:15am. No day-of registrations.

What is the course like?

The [course](#) is a 7.72 mile loop on rolling hills with one "big" climb.

How will scoring take place?

Chip-timing will be used for the race. In addition, bibs will be color-coded by club.

What if I'm not in either club?

Riders not associated with either GVCC or BBC must purchase a \$10 guest membership when picking up your race packet at the event. Remember, riders must pre-register at Bikereg.com.

This year's Ultimate Club Championship is held in memory of **Mike Coyle**, a GVCC member and Rochester athlete who tragically passed away in an accident while participating in the Musselman Triathlon in Geneva, NY on July 13, 2013.

\$15 from each registration will be donated to the **Michael Coyle Memorial Scholarship Fund** for his daughters.
