

## **Buffalo Bicycling Club Team Criteria 2019**

### **Objective:**

Create a competitive bicycle racing team that will promote the BBC as a road racing club. Additionally, the team will appropriately represent the city of Buffalo, NY when out of town.

### **Team Requirements:**

1. Must be a full club member, with Buffalo Bicycling Club, Inc. on USAC license.
2. Members must be in good standings with the Buffalo Bicycling Club.
3. Riders must apply and support the team objective and criteria.

### **Team Criteria:**

1. Riders will act as ambassadors of the BBC. In general: educating, engaging, and informing area riders of related activities.
2. Rider participation is strongly encouraged for local races, training events, and team rides.
3. When needed, riders will assist in setting up/breaking down BBC host events.
4. Cat1/2/3 riders who mentors two or more "B" or "C" fields in a BBC training race may be complementarily registered for another event by the BBC at the discretion of the president.

### **Team Selection:**

1. The BBC team will consist of club members that apply, agree to support the team objective and criteria, and are selected by the educational director and president of the BBC.
2. The educational director and president of the BBC will review all applications and select the team annually.
3. The educational director and president will review each rider's performance and club involvement from the previous year for considerations of team retention.
