

Baer and Associates Cyclocross

Sunday, September 28, 2008

Sprague Brook Park, Concord NY
(½ hr South of Buffalo)
USAC Permit – Buffalo Bicycle Club

Course: All new course for this year. Indoor changing facilities and bathrooms, showers and a course featuring complete stake and tape enclosure. Course is mostly on grass with a couple of short road sections and short hills. This is a fairly fast and technical course which allows space for passing for the entire distance and adheres to UCI guidelines for course design.
